

Ser. No. 10/064,177
Art Unit: 2615

3

Printed 8/9/2005

In the specification:

5 Please replace paragraphs [0028] and [0031] in the Brief Description of the Drawings.
as follows:

10 [0028] Figures 9A-~~D~~-E illustrate the pattern matched for chrominance calculation and
coefficients for generating intermediate sums without RGB interpolation.

15 [0031] Figures 12A-~~D~~-E illustrate for an alternate Bayer pattern initialization the patterns
matched for chrominance calculation and coefficients for generating intermediate sums
without RGB interpolation.
